Dear Mr. George Herman, JOURNALIST ; MHSWA gh 3/5/79

God Bless you - Right ON! You presented thoroughly beautiful program Tuesday 8:00 P.M., March 6. & didn't say one word throughout the presentation, unusual for me". I'll write all the sponsors for praise for underwriting your union special. I believe in unions. I'm a Computer Science man myself & hope the day come that the ONLY non-union worker at a Corporation is the owners. You surely showed us all - why I agree with everything said. I hope you win the years AWARD for outstanding journalism. You were not afraid of "them"! We've got Mr. Herman, keep up this sort of excellent work. We thank you sincerely! With Respect Craig M. Hozer
